MORE INSTANT COFFEE USED
Canadians are drinking less coffee, or
at least using fewer beans, than in the
late 1940's. Part of the drop is due to
introduction of instant coffee during
the 1950's. Instant products now
make up nearly one-fifth of total coffee
consumption.

FURNITURE STAIN REMOVER

If you have a piece of heat-stained furniture, apply a thin paste of salt and salad oil. Let stand for an hour, then remove. Unless the stain has really penetrated the grain of the wood, it will respond to this treatment.

GOING TO MOVE?

Don't forget the house you're leaving behind.

Here are some helpful hints.

1. See that all utilities have been disconnected or shut off (gas, electric, telephone, etc.)
2. Notify the milkman, paper boy or others who have been delivering to you regularly.
3. Notify the Post Office of your change of address.
4. Notify your insurance companies and secure records of transfer from school, church, bank, etc.
5. When you're in your new location have your change of address noted on your driver's license and automobile registration certificate.
