**4 GOOD REASONS FOR
HANDLING COMPLAINTS
BY LONG DISTANCE**

You can talk over matters at once.
Promptness often prevents loss of a
customer.

You can build closer relations with
customers.

You can use tact in delicate situa-
tions. And because men talk more
freely than they write, you can fre-
quently trace the real reason for the
complaint and prevent similar com-
plaints in the future.

SCRATCHED WOODWORK
 One way to repair deeply scratched woodwork is by filling the scratches with a mixture of fine sawdust and spar varnish. After this filling has hardened completely, smooth it down with fine sandpaper.

People who are ready to buy turn first to the Yellow Pages. If you have something to sell or a service to offer, here's the place to tell about it. The "Yellow Pages" places your name, address and telephone number before the buyer at the very moment he wants your product or service. Call the business office for information.
