It's fun to browse through the Yellow Pages. It can also save your time. And your feet. Neat!

Don't run around . . . phone around!

FILLS THE BILL FOR EASY SHOPPING

WHEN IS SHOPPING EASY? When you know where to buy what you're looking for. The Yellow Pages of your telephone directory "fill the bill" for easy shopping — they give the name, address, and telephone number of the store or person who sells any product or service available in your town.

TURN THROUGH THE YELLOW PAGES of this directory. You'll see products and services listed in alphabetical order under bold-type headings. Then under each heading you'll find the firms that sell, rent, or repair that item. Some stores have ads that give information on brands they carry, store hours, deliveries, and special services.

YES, THE YELLOW PAGES ARE EASY TO USE—a big saver of time, money, and effort. Make the most of them. When in doubt about "where to buy it," always look first in the Yellow Pages.
