4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE
You can talk over matters at once. Promptness often prevents loss of a customer.
You can build closer relations with customers.
You can use tact in delicate situations. And because people talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.

Behind on orders? Let handy YELLOW PAGES introduce the suppliers you need. It's fast convenient. Wise buyers say there's nothing like the YELLOW PAGES of your telephone book for getting in touch with almost everyone around who sells things, fixes things, does things. Try the YELLOW PAGES once . . . you'll use them often.

Communications Solutions for Alberta Business from AGT.

Call on AGT for solutions to your business communications needs!

Our communications specialists will work with you to design a solution that calls on the most advanced telecommunications in the world. Solutions that provide the added value of AGT's worldwide network and a range of equipment, service and maintenance packages to address your unique business requirements.

AGT's range of Service Packages and predictable, clearly-explained charges take the "surprise" out of emergency repairs or regular maintenance. And you'll receive the same concerned attention whether or not your voice and data equipment was purchased from AGT.

Call on AGT. We have the communication solutions for Alberta businesses.
