Don't forget to plan for concealed telephone conduit and convenient locations for telephone outlets when you build your new home. These built-in telephone facilities add real value to a home yet their cost is very small if they are installed during construction.

People who are ready to buy turn first to the Yellow Pages. If you have something to sell or a service to offer, here's the place to tell about it. The "Yellow Pages" places your name, address and telephone number before the buyer at the very moment he wants your product or service. Call the business office for information.

Why not check into the sales-building possibilities of the Yellow Pages? Call the business office for information about advertising in the Yellow Pages. Your advertisement in the Yellow Pages reaches prospective customers when they are ready to buy. When they know what they want — but not where to get it — they turn to these Yellow Pages.
