Don't forget to plan for concealed telephone conduit and convenient locations for telephone outlets when you build your new home. These built-in telephone facilities add real value to a home yet their cost is very small if they are installed during construction.

**4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE**

You can talk over matters at once. Promptness often prevents loss of a customer. You can build closer relations with customers. You can use tact in delicate situations. And because people talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.

People who are ready to  
 buy turn first to the Yellow  
 Pages. If you have something  
 to sell or a service  
 to offer, here's the  
 place to tell about it. The  
 "Yellow Pages" places your  
 name, address and tele-  
 phone number before the  
 buyer at the very moment  
 he wants your product or  
 service. Call the business  
 office for information.
