

IN YELLOW PAGE ADVERTISEMENTS

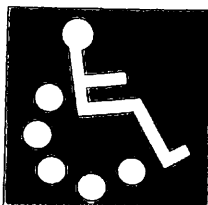

THESE SYMBOLS DENOTE ACCESS FOR DISABLED PEOPLE

Advertisers are now being encouraged to designate whether or not their premises and facilities are accessible to disabled persons. In this regard, two levels of accessibility are used which are based on the following criteria:

This symbol designates that the premises and facilities of the advertiser meets the building requirements for persons with disabilities as set out in Building Design Guide Book. A copy of this book may be obtained by writing:

**Building Standards Branch Alberta Labor
Rm. 705, 10808 - 99 Ave., Edmonton T5K 0G5**

This symbol designates that the direct access to the premises and the business' facilities meets the basic requirements of wheelchair users. These are: a space of parking, a reasonably smooth approach to a main entrance or elevator, leading to the business' facilities without stairs: the entrance door being of minimum width of 815 mm. (2'8"). and a 2'8" by-pass if a turnstile is present. This symbol also designates that some of the facilities within the premises may not be accessible, therefore, disabled persons should contact the advertiser to make enquiries regarding their special needs.

Responsibility: AGT is not responsible for assessing or qualifying whether a facility meets the necessary criteria. The onus is on the Yellow Page advertisers to ensure that their premises meet the requirements as indicated by the symbol in their advertisement.

4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE

You can talk over matters at once. Promptness often prevents loss of a customer.
You can build closer relations with customers.
You can use tact in delicate situations. And because people talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.

4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE

You can talk over matters at once. Promptness often prevents loss of a customer. You can build closer relations with customers. You can use tact in delicate situations. And because people talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.

LONG DISTANCE APPOINTMENTS
 SAVE TIME & MONEY
 Avoid wasted trips, Allow better planning of your time. Make certain you are expected. Avoid long delays in waiting to see people. Enable your prospects to prepare for your visits.

A-1 AASTRO TRANSMISSION & CLUTCH

I AM NOT HERE TO TAKE ALL YOUR MONEY! YOU ALREADY HAVE A USED TRANSMISSION!

I will put another used one in for you if you like, but you will find that my **TOTALLY RE-MANUFACTURED TRANSMISSION** price will compare very favorably with the Wrecker's used transmission prices, and with a **full warranty**. Think about it! I have a **DYNO-TESTER** on which I can pre-test your transmission before installation. The nine gauges on my Dyno-Tester will give me accurate readings of every component of your transmission.

YOU WILL FIND MY RE-MANUFACTURED TRANSMISSION PRICES TO BE 1/3 - 50% LOWER THAN OTHER, COMPARABLE QUALITY SHOPS. NO OTHER SHOP HAS A DYNO-TESTER.
all prices in effect for the duration of this directory

**HAVING A TRANSMISSION PROBLEM?
COME IN AND SEE ME. HERE'S WHAT I WILL DO:**

- I will test-drive the vehicle with the customer and seek the customer's input on the problem.
- I will bring the vehicle into the shop, put it up on the hoist and check for leaks, minor set-up and adjustment problems, or for the possibility of minor repairs. Often this is all that is needed to get you back on the road as soon as possible.
- This Copyrighted Diagnostic Test is **FREE** of CHARGE.
- I will bring you into the shop and show you the problem. Often, the minor set-up adjustment problem can be done for \$40 and up, and you will be on your way.
- If it is not a minor problem, I will explain to you what the problem is and, if you decide to leave your vehicle with us, one of my people can either drive you home or to your place of work, or I can fix you up with one of our 20 courtesy vehicles. Drive my car while I fix yours.

THINK ABOUT THIS:

- Your vehicle will be parked inside a secure building while in our care and will be safe.
- We have the **LARGEST TRANSMISSION SHOP IN ALBERTA.**
- We have **TWELVE** Service Bays (Eight for Cars, Light Trucks and Vans, and Four for Heavy Vehicles).
- We have a full **BUILDING-WIDTH OVERHEAD CRANE** for Trucks and Heavy Vehicles.
- In-house machine shop

Unlike Wreckers, I am not a "Jack-of-all-Trades and Master-of-none". I specialize.

**TRANSMISSIONS, DIFFERENTIALS,
