**4 GOOD REASONS FOR  
HANDLING COMPLAINTS  
BY LONG DISTANCE**

You can talk over matters at once.  
Promptness often prevents loss of a customer.

You can build closer relations with customers.

You can use tact in delicate situations. And because people talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.

## I AM NOT HERE TO TAKE ALL YOUR MONEY!

**GOT A CLUTCH PROBLEM? COME IN AND SEE ME. HERE'S WHAT I WILL DO:**

**FREE COPYRIGHTED DIAGNOSTIC TEST:**

- I will test-drive the vehicle with you and seek your input as to the problem.
- I will bring the vehicle into the shop, put it up on the hoist and check for leaks, minor set-up and adjustment problems, or for the possibility of minor repairs. Often this is all that is needed to get you back on the road as soon as possible. This is priority number one!
- This Copyrighted Diagnostic Test is FREE of CHARGE.
- I will bring you into the shop and show you the problem. Often, the minor set-up/adjustment problem can be done for \*40 and up, and you will be on your way.
- If it is not a minor problem, I will explain to you what the problem is and, if you decide to leave your vehicle with us one of my people can either drive you home or to your place of work, or I can fix you up with one of our 20 courtesy vehicles. Drive my car while I fix yours.

4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE

You can talk over matters at once. Promptness often prevents loss of a customer.  
You can build closer relations with customers.  
You can use tact in delicate situations. And because people talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.

**4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE**

You can talk over matters at once. Promptness often prevents loss of a customer.

You can build closer relations with customers.

You can use tact in delicate situations. And because people talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.
