Telephone service is a friendly
 service. The people who op-
 erate and maintain it take a
 genuine satisfaction in serving
 you pleasantly and well. People
 who use the telephone a great
 deal find that friendliness is an
 instinctive habit. The telephone
 helps folks to know each other
 better.

4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE

You can talk over matters at once. Promptness often prevents loss of a customer.
You can build closer relations with customers.
You can use tact in delicate situations. And because people talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.
