**4 GOOD REASONS FOR  
HANDLING COMPLAINTS  
BY LONG DISTANCE**

You can talk over matters at once.  
Promptness often prevents loss of  
a customer.  
You can build closer relations with  
customers.  
You can use tact in delicate situa-  
tions. And because people talk more  
freely than they write, you can fre-  
quently trace the real reason for the  
complaint and prevent similar com-  
plaints in the future.

**4 GOOD REASONS FOR  
HANDLING COMPLAINTS  
BY LONG DISTANCE**

You can talk over matters at once.  
Promptness often prevents loss of  
a customer.

You can build closer relations with  
customers.

You can use tact in delicate situa-  
tions. And because people talk more  
freely than they write, you can fre-  
quently trace the real reason for the  
complaint and prevent similar com-  
plaints in the future.

### 4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE

You can talk over matters at once.  
Promptness often prevents loss of a customer.

You can build closer relations with customers.

You can use tact in delicate situations. And because people talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.

## BEWARE OF ADVERTISEMENTS SUCH AS

- \$19.90 for Transmission Service or Tune-ups and \$50. free coupons - May not include a new filter and could be a ploy to upsell. If caught there, telephone us.  
- \$275.00 and up for Quality Rebuilt Transmissions and Clutches advertised by one Company at two Calgary locations. The 'up' changed to \$730.00 and the 'Quality' was so poor that their customer brought his vehicle to us to have it fixed right - this is documented. They may offer free hard parts and free torque converters but seldom replace them.  
- Franchise Operations' prices may be up to 50% higher than ours. If caught there, telephone us.
