You'll be MISSED!
 If your ad in the YELLOW PAGES isn't under all the headings that describe your business...

Feel better about funeral arrangements in 3 minutes ~ or less.

When you're faced with the responsibility of making funeral arrangements, the last thing you need is even more pressure. So before you decide on a funeral service provider, arm yourself with the information you need to make an informed choice: call Personal Alternative® Funeral Services.

Three minutes is all we need to demonstrate the major difference between ourselves and the expensive, traditional funeral homes to which you may be accustomed. We'll explain, in plain language, how we can provide the exact level of service you desire at a cost substantially lower than you'd expect.

We'll visit you in the comfort of your home to help you achieve the arrangements that suit you, and explain the affordable options.

Invest a few minutes to discover how Personal Alternative® can help you make funeral arrangements with much less financial and emotional stress.
