Get maximum exposure

Put your business in the book that reaches customers 24 hours a day, 365 days a year. Nine out of ten adults consult it at least 76 times a year and 75% of them follow up with a phone call or visit.

Located at the front of your directory, **TELUS Yellow Pages™ Coupons** are at your customer's fingertips when they are ready to buy. And, because they're located in the directory, they'll be around for the entire year.

The **TELUS Talking Yellow Pages™** offers useful information on everything from the latest lottery numbers to removing a carpet stain. Reach the masses by sponsoring lotteries or horoscopes or, if you prefer a more targeted approach, sponsor one of our information guides.

alberta.com is our web site and 17,000 potential customers drop in daily. If you're in the book, you're on the web. We can even give you a hotlink to your own home page. Don't have a home page? Don't worry. We'll even help you create one.

4 GOOD REASONS FOR
HANDLING COMPLAINTS
BY LONG DISTANCE

You can talk over matters at once.
Promptness often prevents loss of
a customer.

You can build closer relations with
customers.

You can use tact in delicate situa-
tions. And because people talk more
freely than they write, you can fre-
quently trace the real reason for the
complaint and prevent similar com-
plaints in the future.
