

Are You Properly Classified?

IT is important to your business that prospective buyers should find your name in the Telephone Directory under any and every Classification covering your activities

If you are a Plumber, Electrician, Heating Contractor, Sanitary Engineer and Steam-fitter, you may be losing a large amount of business by remaining content with the one classification to which you are entitled free of charge.

Comprehensive Classifications and judicious advertising which reaches all classes of the community may be obtained by you at a minimum cost.

Consult us if you wish to increase your business.
