## Brings the Farm to Town

**N**OW that he can order it at once by Long Distance from his favorite dealer in village, town or city, nothing is too good for the farmer. "You advertised a special sale of phonographs in today's paper. Ship me one"—he telephones.

Within the same convenient radius of your store are scores of thrifty housewives who would be pleased to have a merchant solicit their trade by Long Distance. Even if a sale does not result, you have advertised your business in a very effective way. They will probably call when they come to town, or order from your advertising. It's human nature.

A tire dealer called up 29 strangers by Long Distance and sold tires to 8 of them. A follow-up letter or personal call later brought nearly all the others to his store.

Don't let your telephone idle. Long Distance can bring suburban prospects within sound of your voice. Turn it into a salesman, and keep it busy. Every other means of communication is a substitute for the voice—the voice is **YOU**.

# Directory Advertising

---

EVERY telephone in Calgary and District has a Directory by its side every day of the year.

\*\*\*

The Directory is used thousands of times daily.

\*\*\*

It is never thrown into the waste-paper basket until a new edition is issued. Probably no other publication can make a like claim to continuity of circulation.

\*\*\*

The Telephone Directory is used for innumerable purposes—the alphabetical section for general information, correct spelling of names, street addresses, etc.—the classified section for buying and selling.

\*\*\*

There are many ways in which the Directory may become of additional service to subscribers—extra listings may be arranged for, by which a subscriber to Exchange Business Service may have the names of any companies he represents, or of any employee or agent, listed in the Directory, at a nominal charge, and where two persons are sharing the same residence they may both be listed in the Directory for a small extra charge.

\*\*\*

Our low rates and the ever-increasing circulation of the books render Telephone Directory Advertising the cheapest and most effective form of publicity you can buy.

a number which, when you call it, gives you whatever you want in merchandise, whenever you want it and at whatever price is right.
