Directory Advertising

EVERY telephone in Alberta has a Directory by its side every day of the year.

The Directory is used thousands of times daily.

It is never thrown into the waste-paper basket until a new edition is issued. Probably no other publication can make a like claim to continuity of circulation.

The Telephone Directory is used for innumerable purposes—general information, correct spelling of names, street addresses, buying and selling, etc.

There are many ways in which the Directory may become of additional service to subscribers—extra listings may be arranged for, by which a subscriber to Exchange Business Service may have the names of any companies he represents, or of any employee or agent, listed in the Directory, at a nominal charge, and where two persons are sharing the same residence they may both be listed in the Directory for a small extra charge.

The following Directories are issued by the Alberta Government Telephones:

Calgary and District.	Northern Division.
Lethbridge and District.	Medicine Hat and District.
Peace River District	

Our low rates and the ever-increasing circulation of the books render Telephone Directory Advertising the cheapest and most effective form of publicity you can buy.
