TOTE GOTE

AMERICA'S NO. 1 TRAIL CYCLE
Ride into "big buck" country and bring
back your deer with ease. Designed for
off highway travel, the lightweight
"GOTE" is the first machine of its kind.
Geared low, it will carry a hunter and his
deer up 45° grades with the "Climb-
away" transmission shifting automatically
upon need. A frame of high test steel
will take the knocks and bumps without
damage. The compact Tote Gote will fit
into a car trunk for travel to and from
the hunting areas.
