PLAN AHEAD FOR TELEPHONE CONVENIENCE

EVEN AS YOU PLAN your wonderful new home, give a thought to telephone convenience with flexibility for future telephone needs.

CONDUIT AND OUTLETS for telephone wiring, built into the walls during construction, allow you to have your telephones placed where you want them with all wiring out of sight. Changes and additions for future telephone service needs can be made easily and quickly.

IN THE PLANNING STAGE, your architect or contractor can readily provide for your conduit installation.

AND FOR FREE TELEPHONE PLANNING ADVICE—about conduit layout, outlet locations, telephone colours to match your decoration, special telephone features for your particular needs—just call your nearest Telephone Business Office.

Well planned representation in all Yellow Pages classifications pertaining to your business, reaches all the market — customers who know you or your product, and prospects who know neither.

We will also arrange advertising representation in other Canadian Directories on a National basis and thereby create new markets for the selling and distribution of your product or service.
