WAIT FOR THE DIAL TONE IT'S YOUR SIGNAL TO PROCEED

If occasionally your telephone sounds "dead," it may be that the equipment at our central office is busy. So wait a little while—and you will hear the hum-m-m—which indicates the switching equipment is ready to handle your call.

**WHEN YOU'VE
SPOTTED WHAT
YOU WANT...**

... Tell the Businessman how
you found him.

Tell the butcher, the baker, the patio-maker, "I found you in the Yellow Pages." That's happy music to the well-tuned ear of any businessman who's always eager to know just how folks happen to do business with him.

And when you tell him, don't expect him to look surprised... just pleased... pleased to hear once again the refrain that tells him modern folks like you know it's smart to shop the Yellow Pages way.
