TELEPHONE PLANNING FOR FUTURE NEEDS

Assistance is available in planning telephone needs for new or remodelled homes or office buildings. Arrangements can be made to have the builders provide for present and anticipated future telephone requirements, so that wiring can be concealed without marking walls or woodwork. Well planned representation in all Yellow Pages
classifications pertaining to your business, reaches all
the market — customers who know you or your product,
and prospects who know neither.

We will also arrange advertising representation in
other Canadian Directories on a National basis and
thereby create new markets for the selling and distri-
bution of your product or service.
