QUICK, FOR CLOTHES CARE

Colors of clothing can be altered from foodstuffs, cosmetics and perspiration that have been permitted to stay in garments. These color changes often show in acetate fabrics where blue or green turn white, or dark blue or black turn red. These color changes can be corrected, if the professional drycleaner gets them soon after the soil. Otherwise, the color change may be permanent.

BUBBLY

Low-calorie cranberry bubble drink is nutritious as well as refreshing. Combine 1 cup of chilled low-calorie cranberry juice cocktail with 1/2 cup of chilled skimmed milk, 1/2 teaspoon of vanilla extract, 1 egg white and crushed ice. Beat with rotary egg beater until well-blended and foamy. Garnish with ground mace. Makes 2 small servings of about 40 calories each.
