IRONING TIP

If you have a garment with woolen
fabric laminated to foam, never
let the iron touch the foam side.
Use a pressing cloth to protect
the foam.

EASE YOUR EYES
 Seamstresses should take a few
 minutes off each half hour for the
 sake of their eyes. Close work over
 a long period of time can put a
 strain on eyes and one way to
 lessen the fatigue is to glance off
 into the distance for a moment
 every now and then.
