QUICK BRASS CLEANER

You can clean copper and brass instantly by rubbing with a mixture of vinegar and salt. The finish won't last as long as with regular metal polish, but the mixture does a fine job.

TO REPAIR LINOLEUM

If you like potato salad but do
not like raw onion, you might try
boiling an onion in the water in
which you are boiling the potatoes
for the salad. This gives the Spuds
the flavor of onion.
