KEEPING PIMIENTOS

To store leftover pimientos, either drain them and immerse them in water in a covered jar in the refrigerator, or add 1/2 teaspoon of vinegar to the pimiento liquid, cover tightly and refrigerate.

DANGER?

Charcoal fires produce carbon monoxide. In case of rain while doing outdoor cooking, do not drag the charcoal cooker inside a closed garage or porch. The biggest enemy of carbon monoxide is fresh air.

CHEESE TIP

When cooking with cheese, keep the heat low to let cheese melt completely and spread through the whole dish. Cooking at high heat makes cheese tough and stringy.
