Two friendly telephone
habits... quick to answer
when your telephone
rings; SLOW to hang up
when you call someone
who does not immedi-
ately respond. When calling
others, remember that the
called person may be al-
most there... so wait a
few seconds longer.

Books, ash trays, ornaments can keep your telephone "off the hook." In that case it's "busy" or "out of order" to anyone who calls. Please keep objects a way from your telephone.
