Not Communicating?

TRY DANCING

When the conversation stops, maybe the dancing should start. Dancing brings you CLOSE . . . nothing comes closer! Are you always on the "fringe" of fun & friends . . . on the outside looking in . . . simply because you can't dance . . . or aren't sure of yourself? Re-discover what it's like to hold someone in your arms again. Our expert teachers will show you how to dance & before you know it you've learned all the popular favorites.

4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE

- 1 You can talk over matters at once — promptness often prevents loss of a customer.
- 2 You can use tact in delicate situations.
- 3 You can build closer relations with customers.
- 4 And because men talk more freely than they write, you can frequently trace the real reason for the complaint — and prevent similar complaints in the future.

GOING TO MOVE?

Don't forget the house
you're leaving behind.
Here are some helpful hints.

1. See that all utilities have been disconnected or shut off (gas, electric, telephone, etc.)
2. Notify the milkman, paper boy or others who have been delivering to you regularly.
3. Notify the Post Office of your change of address.
4. Notify your insurance companies and secure records of transfer from school, church, bank, etc.
5. When you're in your new location have your change of address noted on your driver's license and automobile registration certificate.
