PATCHING HOLES

Is there a hole in the wall where you took down the picture? Don't despair — repair! Mix equal amounts of salt and starch with just enough water to make a plaster-like paste. Holes will be covered and no one will know your salt secret.

FLAT BACON

Does your bacon curl up and shrink
in the pan? Try this when frying
bacon. Fry in regular frying pan
but place bottom of another pan
directly over the bacon itself —
then put it over a low flame. Result
— nice flat pieces of bacon.
