MORE INSTANT COFFEE USED
 Canadians are drinking less coffee,
 or at least using fewer beans, than
 in the late 1940's. Part of the drop
 is due to introduction of instant
 coffee during the 1950's. Instant
 products now make up nearly one-
 fifth of total coffee consumption.

THREAD PULLING

Threads pull easily for drawn work or hemstitching if they first are lubricated generously with a sliver of soap. Run the soap along a ruler edge to get a straight line, rubbing it well into the fabric.
