Alberta Association of Architects

Authority to use the Title ARCHITECT is granted by the Alberta Architects Act under the Laws of Alberta. A strongly enforced code of ethics under this law guards the interests of Clients and the Public. Those persons admitted to the profession are qualified by years of education, training, experience and personal qualification.

The Alberta Association of Architects, 318 Reville Building, Edmonton, Alberta.

MORE INSTANT COFFEE USED
Canadians are drinking less coffee, or at least using fewer beans, than in the late 1940's. Part of the drop is due to introduction of instant coffee during the 1950's. Instant products now make up nearly one-fifth of total coffee consumption.

PREVENT STICKING

To prevent food from sticking to an electric skillet, wash as usual, then scour with a mixture of soda and salt. Use this treatment several times. Never heat the skillet any hotter than the suggested temp.

MARBLE STAINS

Most stains on marble are removed best with the application of a poultice. To make a poultice, soak a piece of white blotting paper, white napkin, white cleansing tissue, or commercial whiting in one of the following solutions: for organic stains, use ammonia or hydrogen peroxide in hair bleach strength; for oily stains, an amyl acetate or acetone solvent.
