**4 GOOD REASONS FOR
HANDLING COMPLAINTS
BY LONG DISTANCE**

- 1 You can talk over matters at once — promptness often prevents loss of a customer.
- 2 You can use tact in delicate situations.
- 3 You can build closer relations with customers.
- 4 And because men talk more freely than they write, you can frequently trace the real reason for the complaint — and prevent similar complaints in the future.

EASE YOUR EYES

Seamstresses should take a few minutes off each half hour for the sake of their eyes. Close work over a long period of time can put a strain on eyes and one way to lessen the fatigue is to glance off into the distance for a moment every now and then.

TASTES FABULOUS

You can make a quick ice cream pie by concocting a crust made up of 1 cup of oven toasted uncooked quick oats combined with 1/2 cup firmly-packed brown sugar and 1/3 cup of melted butter. Press the mix onto the bottom and sides of a 9-inch pie pan and fill with 1 quart softened ice cream. Then freeze until firm.
