THREAD PULLING

Threads pull easily for drawn work or hemstitching if they first are lubricated generously with a sliver of soap. Run the soap along a ruler edge to get a straight line, rubbing it well into the fabric.

A HEAVY LOAD
Shoppers each year carry some
1,400 pounds of groceries home for
each person in the family. The
load, however, is about 100
pounds lighter than it was in the
1940's — partly because of in-
creases in food processing, partly
because of changes in consumer
tastes.
