PAINTER'S TIP
Professional painters say the correct way to hold a brush is to grasp it comfortably near the handle base. Don't bear down on the brush. Just exert enough pressure to make the bristles slightly toward the tip.

For better service — speak directly into the telephone.

FLAT BACON

Does your bacon curl up and shrink in the pan? Try this when frying bacon. Fry in regular frying pan but place bottom of another pan directly over the bacon itself — then put it over a low flame. Result — nice flat pieces of bacon.

ANOTHER USE FOR SALT

Rub unpainted breadboards and cutting boards with a cloth dipped in salt after they have been washed with soap and water; they'll look lighter and brighter.
