CHEESE TIP

When cooking with cheese, keep the heat low to let cheese melt completely and spread through the whole dish. Cooking at high heat makes cheese tough and stringy.

Don't forget to plan for concealed telephone conduit and convenient locations for telephone outlets when you build your new home. These built-in telephone facilities add real value to a home yet their cost is very small if they are installed during construction.

IS A CALL
WORTH ?

A telephone call can mean little or can mean saving a life. And who can put a money value on even a cheery "hello."
