TELEPHONE PLANNING FOR FUTURE NEEDS

Assistance is available in planning telephone needs for new or remodelled homes or office buildings. Arrangements can be made to have the builders provide for present and anticipated future telephone requirements, so that wiring can be concealed without marking walls or woodwork. For information call . . .

To dial correctly, pull the dial all the way to the finger stop . . . then let dial return at its own speed.

Wise people in buying mood turn to the Yellow Pages of the Classified Telephone Directory. If you have something to sell or a service to offer, tell about it here. Just call the Business Office for information.
