Yellow Pages

are within easy reach of prospects 24 hours a day, every day, in homes, offices, stores and factories. They reach newcomers in town... and remind old customers, too. Put this famous buying guide to work for you. It's economical, and it gets results.

Let your classified directory representative tell you how the Yellow Pages can work for you.

CARPET HINT

Grease and soot stains on a carpet may be removed by sprinkling with salt and rubbing vigorously. Several applications may be necessary. Old stains may be lightened considerably by rubbing with a salt and water paste. To restore freshness, wipe with a cloth or sponge which has been dipped in a strong salt solution and wrung out to remove excess moisture.

PREVENT COLORING
Potatoes turn green when they are
exposed to too much light during
storage, says a publication of the
Alberta Potato Commission. It ad-
vises that potatoes should be stor-
ed in a dark, cool place.
