

## INFORMATION CONCERNING THE NEW POSTAL CODE SYSTEM

The Postal CODE is composed of both letters and numbers, in the form of ANA NAN, where "A" represents a letter of the alphabet, and "N" a number.

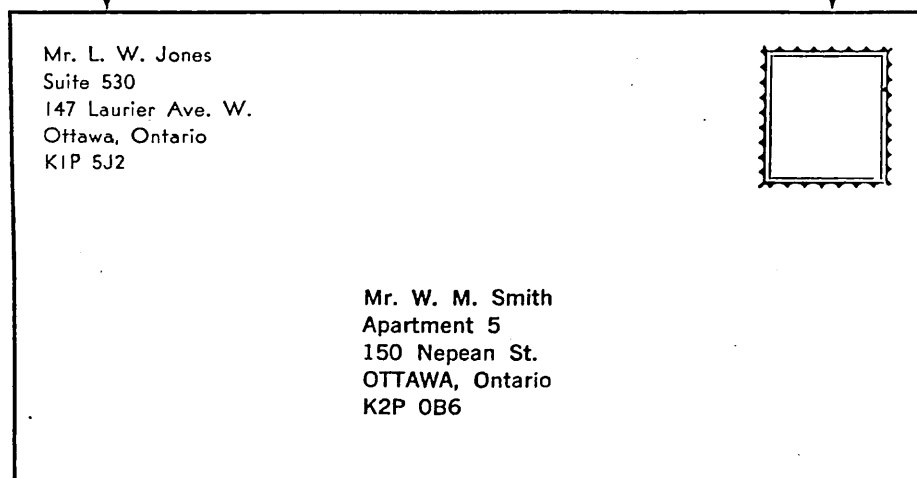

There is a space separating the first three characters, called Area Designator, from the last three, the Local Designator.

Once you have been given your Postal CODE, it is a permanent part of your address. Your Postal CODE will change only if you move.

### ADDRESS CORRECTLY

Return address ensures  
prompt return in case of  
non-delivery.

Proper prepayment  
prevents delay  
in delivery.

Always give full details of street address, apartment number and name of Post Office. Also include the postal code where applicable.

### POSTAL POINTERS

- 1) Address your mail fully, clearly and without misleading abbreviations.
- 2) Be sure to include apartment or suite number in address.
- 3) Place your return address in the upper left corner.
- 4) Give your correspondents your correct postal address including your postal CODE.
- 5) Never enclose coins or other hard objects in letters.
- 6) Send remittances by Post Office Money Order.
- 7) Properly pack parcels.
- 8) Place postage stamps in upper right corner. Prepay postage fully.
- 9) Insure your parcels and register letters of value.
- 10) Mail early and often. Mail deferred until the last moment may miss early despatches.

**PAINTER'S TIP**

Professional painters say the correct way to hold a brush is to grasp it comfortably near the handle base. Don't bear down on the brush. Just exert enough pressure to make the bristles flex slightly toward the tip.

The oldest of all telephone industry's traditions is service.

**GOING TO MOVE?**  
Don't forget the house you're leaving behind.  
Here are some helpful hints.

1. See that all utilities have been disconnected or shut off (gas, electric, telephone, etc.)
2. Notify the milkman, paper boy or others who have been delivering to you regularly.
3. Notify the Post Office of your change of address.
4. Notify your insurance companies and secure records of transfer from school, church, bank, etc.
5. When you're in your new location have your change of address noted on your driver's license and automobile registration certificate.

**CARPET HINT**  
 Grease and soot stains on a carpet may be removed by sprinkling with salt and rubbing vigorously. Several applications may be necessary. Old stains may be lightened considerably by rubbing with a salt and water paste. To restore freshness, wipe with a cloth or sponge which has been dipped in a strong salt solution and wrung out to remove excess moisture.
