Behind on orders? Let the handy Yellow Pages introduce the suppliers you need. It's fast, it's convenient. Wise buyers say there's nothing like the Yellow Pages of your telephone book for getting in touch with almost everyone around who sells things, fixes things, does things. Try them once . . . you'll use them often.

4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE

- 1 You can talk over matters at once — promptness often prevents loss of a customer.
- 2 You can use tact in delicate situations.
- 3 You can build closer relations with customers.
- 4 And because men talk more freely than they write, you can frequently trace the real reason for the complaint — and prevent similar complaints in the future.
