FLAT BACON

Does your bacon curl up and shrink
 in the pan? Try this when frying
 bacon. Fry in regular frying pan
 but place bottom of another pan
 directly over the bacon itself —
 then put it over a low flame. Result
 — nice flat pieces of bacon.

MORE INSTANT COFFEE USED

Canadians are drinking less coffee, or at least using fewer beans, than in the late 1940's. Part of the drop is due to introduction of instant coffee during the 1950's. Instant products now make up nearly one-fifth of total coffee consumption.
