CARPET HINT

Grease and soot stains on a carpet may be removed by sprinkling with salt and rubbing vigorously. Several applications may be necessary. Old stains may be lightened considerably by rubbing with a salt and water paste. To restore freshness, wipe with a cloth or sponge which has been dipped in a strong salt solution and wrung out to remove excess moisture.

PREVENT COLORING

Potatoes turn green when they are exposed to too much light during storage, says a publication of the Alberta Potato Commission. It advises that potatoes should be stored in a dark, cool place.
