CARPET HINT

Grease and soot stains on a carpet may be removed by sprinkling with salt and rubbing vigorously. Several applications may be necessary. Old stains may be lightened considerably by rubbing with a salt and water paste. To restore freshness, wipe with a cloth or sponge which has been dipped in a strong salt solution and wrung out to remove excess moisture.

PREVENT COLORING

Potatoes turn green when they are exposed to too much light during storage, says a publication of the Alberta Potato Commission. It advises that potatoes should be stored in a dark, cool place.

TAKE CARE

When the elderly become hard of
hearing they are apt to become
morose and suspicious. Care should
be taken to speak clearly and dis-
tinctly.

DO NOT PULL OUT

If you are stung by an insect that leaves a noticeable stinger, do not attempt to pluck it out as this will only force the remaining venom onto the system.

KEEP CLEAN
Place a piece of beeswax between
two pieces of flannel and rub your
iron over it occasionally. It will
keep the iron clean and help it to
work smoothly.

SAVE ON FOIL

Use aluminum foil to line a small baking pan for oven-baked chicken. Saves on washing up and economical too when the same foil is used to wrap the baked chicken for storage in the refrigerator. Use in the same way for baking fish.

DANGER?
Charcoal fires produce carbon monoxide. In case of rain while doing outdoor cooking, do not drag the charcoal cooker inside a closed garage or porch. The biggest enemy of carbon monoxide is fresh air.

Sparrow Electric Ltd.

PAINTER'S TIP

Professional painters say the correct way to hold a brush is to grasp it comfortably near the handle base. Don't bear down on the brush. Just exert enough pressure to make the bristles flex slightly toward the tip.
