PATCHING HOLES
Is there a hole in the wall where
you took down the picture? Don't
despair — repair! Mix equal
amounts of salt and starch with
just enough water to make a
plaster-like paste. Holes will be
covered and no one will know your
salt secret.

GET HIS NUMBER!

When you forget the name of the service or merchant who sells what you want, you can get them — and the telephone number — simply by looking in the **YELLOW PAGES** of the **TELEPHONE DIRECTORY**.

Don't forget to plan for concealed telephone conduit and convenient locations for telephone outlets when you build your new home. These built-in telephone facilities add real value to a home yet their cost is very small if they are installed during construction.
