GET HIS NUMBER!

When you forget the name of the service or merchant who sells what you want, you can get them — and the telephone number — simply by looking in the **YELLOW PAGES** of the **TELEPHONE DIRECTORY**.

Don't forget to plan for concealed telephone conduit and convenient locations for telephone outlets when you build your new home. These built-in telephone facilities add real value to a home yet their cost is very small if they are installed during construction.

Behind on orders? Let the handy Yellow Pages introduce the suppliers you need. It's fast, it's convenient. Wise buyers say there's nothing like the Yellow Pages of your telephone book for getting in touch with almost everyone around who sells things, fixes things, does things. Try them once . . . you'll use them often.

It's easier to understand
and jot down numbers
too, if they are spoken in
sequence with pauses be-
tween groups of numer-
als. For instance, in read-
ing a loud the telephone
number of our business
office, we would say,
"Two two four (pause) six
two, six one."
