**PREVENTS STICKING**

Greasing a barbecue grill before use will prevent food from sticking to it.

Books, ash trays, ornaments can keep your telephone "off the hook." In that case it's "busy" or "out of order" to anyone who calls. Please keep objects away from your telephone.

**EASE YOUR EYES**  
 Seamstresses should take a few minutes off each half hour for the sake of their eyes. Close work over a long period of time can put a strain on eyes and one way to lessen the fatigue is to glance off into the distance for a moment every now and then.
