KNOW YOUR TEA?

A tea taster may be able to identify as many as 1,500 different teas. By examining a dry leaf, he can tell where the tea was grown, sometimes even the estate it came from, what time of year it was plucked, its probable taste and cost.

Kitchen, bedroom, living room — these are only a few of the rooms where extension telephones will save you steps all day long. They come in a variety of beautiful colors. Just call our telephone business office.

Good rules in dialing: Wait for the dial tone . . . Dial accurately, without forcing . . . Let the dial return naturally to starting position . . . If you encounter a "busy," wait a reasonable time and try again.

LOW TEMPERATURE
 Always fry eggs at a low tempera-
 ture, preferably in a heavy pan be-
 cause heat is distributed more
 evenly.
