**BUYING BY TELEPHONE IS PROFITABLE BECAUSE YOU CAN:**

Talk over matters at once. Discuss details of what you want. Get immediate agreement on price, delivery and shipping. Control inventories. Keep ahead of competition.

**LONG DISTANCE PAYS**

**A HEAVY LOAD**

Shoppers each year carry some 1,400 pounds of groceries home for each person in the family. The load, however, is about 100 pounds lighter than it was in the 1940's — partly because of increases in food processing, partly because of changes in consumer tastes.

A little talk ... goes a long way.  
 Long Distance!

**SAVE ON FOIL**

Use aluminum foil to line a small baking pan for oven-baked chicken. Saves on washing up and economical too when the same foil is used to wrap the baked chicken for storage in the refrigerator. Use in the same way for baking fish.

**4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE**

- 1 You can talk over matters at once — promptness often prevents loss of a customer.
- 2 You can use fact in delicate situations.
- 3 You can build closer relations with customers.
- 4 And because men talk more freely than they write, you can frequently trace the real reason for the complaint — and prevent similar complaints in the future.
