## IT'S IN YOUR BEST INTEREST TO CHECK FIRST

If you plan to build or have  
to excavate, you can avoid  
accidental damage to cables by  
checking first.

Before digging starts, Dial "0"  
Zero & ask for Zenith 07128  
(No Toll Charge)

For your own protection and  
your neighbours', it pays to  
make sure you are on "safe  
ground." A severed cable may  
put hundreds of telephones out  
of service.
