CORNBREAD TIP
To keep cornbread from sticking to baking pan, melt shortening in the pan and spread over bottom and sides of the pan. Set pan in refrigerator to firm up again. Pour cornbread to bake. The cornbread when baked can be removed easily and will not stick to the pan.

A HEAVY LOAD

Shoppers each year carry some 1,400 pounds of groceries home for each person in the family. The load, however, is about 100 pounds lighter than it was in the 1940's — partly because of increases in food processing, partly because of changes in consumer tastes.
