**MORE INSTANT COFFEE USED**  
 Canadians are drinking less coffee, or at least using fewer beans, than in the late 1940's. Part of the drop is due to introduction of instant coffee during the 1950's. Instant products now make up nearly one-fifth of total coffee consumption.

**BLACK TEA JARGON**  
 Orange pekoe, pekoe, souchong, fannings and dust are some of the words indicating the size of the pieces of tea leaf. These words are used to describe black teas. Orange pekoe is largest grade of black tea; dust is the smallest.

**ZIPPY FLAVOR**  
Heat a can of beef broth, diluting as usual, according to directions on the can. But add a suspicion of horseradish for zippy flavor.
