CUSHION NEEDED

A rug cushion is most important on rough or uneven floors, door sills with their hill-and-dale profile and on edges of stair treads which receive the brunt of stairway traffic.

Touch
your partner, move as one.

You can't do it alone. You've got to get together with some body. Learn to speak the language of rhythm/of music. Otherwise you're lost. It's this how you see your partner, come see us.

The only way to find dancing are when you're in your car. The rest is common knowledge. Arthur Murray's Paris, Ltd.
