BEDSIDE TABLE

The bedside table never should be used as an extra medicine chest. Toddlers who'll eat anything they can get their hands on can be poisoned by the very drug you take to make you feel better.

GARLIC ANYONE?

For those who like only a slight hint of garlic in salads, toss a clove of garlic into a bottle of vinegar. A delightful home-made garlic vinegar is on hand for salad dressings without messy preparation from garlic buds.

Office Furniture and Supplies

Willson Office Specialty Ltd. provides business a full range of services for all requirements — from paper clips and staples to complete office planning and furniture. Our experience can work to your advantage whether you're planning a move, updating your present premises, shopping for office furniture, or simply needing paperclips.

We specialize in business interior design and office landscaping including provision of carpeting and draperies. Contact our showrooms and view our wide selection of in-stock office furnishings and, at the same time, benefit by our experience and good advice.
