PREVENTS CURDING

To prevent curding when making  
custards, mix sugar with egg, add  
hot liquid, a little at a time, and  
do not overcook.

### SAVE ON FOIL

Use aluminum foil to line a small baking pan for oven-baked chicken. Saves on washing up and economical too when the same foil is used to wrap the baked chicken for storage in the refrigerator. Use in the same way for baking fish.
